North East Graduate Congress (NEGC) is a unique confluence of students community of undergraduate level assembling in a single and massive platform held every year under the aegis of University of Science & Technology Meghalaya (USTM). The 8th NEGC 2026 is scheduled to be held from 26th to 28th March 2026 in the University campus.

Why Graduate Congress ?

The main thrust of the NEGC is to provide a massive platform to facilitate the aspiring and budding youths of North East India through direct interactive sessions with renowned Academicians, Educationists, Industrialists and Entrepreneurs of national repute. Through various competitions and different special sessions, NEGC-2026 is designed to offer a holistic way of incorporating skill, career, brotherhood and integrity. The congress shall make an attempt to enable the youths to shape & mould their career to befit the ever growing and emerging needs of modern technologies and move towards new horizons.

About The University

The University of Science & Technology Meghalaya (USTM) is the most emerging self-financed private University in the North East Region, a University that has been accredited with "A Grade" in its first cycle of assessment by the **National Assessment and Accreditation Council and ranked among top 200 Universities of India by NIRF.**

It is situated in a picturesque landscape surrounded by tranquil greenery in Assam-Meghalaya border at Baridua, 9th mile, opposite to CRPF Camp, Ri-Bhoi District of Meghalaya.

The University offers Diploma, UG, PG and Ph.D courses under different schools/colleges viz.

- School of Applied Sciences
- School of Biological Sciences
- School of Social Sciences & Humanities
- University School of Law and Research
- Regional Institute of Nursing Education
- School of Allied and Healthcare Sciences
- School of Technology & Management
- School of Pharmaceutical Sciences
- PQH School of Education

The BAMS degree program has begun at IA Ayurvedic Medical College from the academic session 2023-24. To meet the rising interest in clinical experts and super-specialty medical care in the North Eastern Region, the university has established its Mega Dream project: the "PA Sangma International Medical College & Hospital," which is offering MBBS course from the academic session 2024-25.
