

KARIMGANJ COLLEGE, SRIBHUMI
Research Committee

Notice

Date: 12 September, 2025

This is for the information of all the students of Science stream that a **Regional Outreach Program under NSSS 2026** will be organized by **North Eastern Space Applications Centre, Government of India** on a convenient date between November 2025 and January 2026. Undergraduate students can participate in this Program under the following two categories:

Abstract Submission on: Research work (500-1000 words) in Planetary Science and Astronomy using space science mission data.

Idea Submission: Innovative ideas in Planetary Science or Astronomy Exploration (500-1000 words)

Students willing to participate can submit their abstract/ideas in prescribed format (attached herewith) by 30 September, 2025 to the email id ropnsss2026@gmail.com. Shortlisted participants will present their work at the respective state ROP venue and selected candidates will qualify for the main Parallel Session 6 (PS 6) session at NSSS 2026. A total of 30 students from North-Eastern Region will be sponsored with travel and accommodation provided by the organisers.

Students are asked to go through the letter issued by **North Eastern Space Applications Centre, Government of India**, enclosed herewith for further information.

विषय/Sub: Request to host & participate in the Regional Outreach Program under NSSS 2026-reg.

महोदय/Sir,

Greetings from the NESAC and the Organising Committee of the NSSS 2026!

We are pleased to inform you that NESAC, in collaboration with the Indian Space Research Organisation (ISRO), will be hosting the 23rd National Space Science Symposium (NSSS 2026) from 23rd to 27th February 2026 at Umiam, Meghalaya. The NSSS is a prestigious biennial event of ISRO, that has evolved into one of the most important platforms for researchers in space and atmospheric sciences, planetary exploration, astronomy, and astrophysics.

As part of NSSS 2026, Parallel Session 6 (PS6) will focus on student engagement, enabling them to present their research and ideas while encouraging wider participation in space science. In this connection, a Regional Outreach Program (ROP) has been planned exclusively for the students studying in the institutes/universities across all eight states of the North Eastern Region (NER) in two different categories. The ROP will feature a full-day technical session comprising of scientific lectures, demonstrations, and student presentations

We propose to conduct a technical session at your esteemed university on a mutually convenient date between November 2025 and January 2026, preferably during the first week of November 2025. To support the program, NSSS 2026 will provide an amount of ₹50,000 (Rupees Fifty Thousand only) to meet all expenditures. Undergraduate and postgraduate students from all science and engineering disciplines are eligible to participate under the following two categories:

Abstract Submission: Research work (500–1000 words) in Planetary Science and Astronomy using space science mission data.

Idea Submission: Innovative ideas in Planetary Science or Astronomy Exploration (500–1000 words).

Submissions must be made in the prescribed format (attached) by 30th September 2025 to the email: ropnsss2026@gmail.com. Shortlisted participants will present their work at the respective state ROP venue, and selected candidates will qualify for the main PS6 session at NSSS 2026. A total of 30 students from the NER will be sponsored, with travel and accommodation provided by the organisers.

We request your kind support in hosting the program and circulating this information among affiliated colleges and engineering institutions in your state to ensure maximum student participation. Detailed information about NSSS 2026 and the ROP is enclosed in the attached brochure.

Dr Arup Borgohain, Scientist/Engineer "SF", NESAC (Mobile: 9436334562 / 7005596676, Email: arup.borgohain@nesac.gov.in) will coordinate for further planning.

We look forward to your valued cooperation in making this initiative a success.

आदर के साथ/With kind regards,

भवदीय/Yours sincerely

डॉ. एस. पी. अग्रवाल

Format for Abstract/Idea Submission

National Space Science Symposium 2026

Regional Outreach Program

Igniting young minds through science & space

| SN | Item | Format |
|----|------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 1 | Word Limit | 500 - 1000 words (including references, figures, and tables) |
| 2 | Font | Times New Roman, 12 pt, 1.5 spacing |
| 3 | Margins | 2 cm |
| 4 | Figures/Tables | Must be labeled (e.g., Figure 1, Table 1, etc.) |
| 5 | Language | English. Use clear and concise sentences |
| 6 | Title | Keep it short, clear, and descriptive (Approx. 20 words). |
| 7 | Author(s) and Affiliation(s) | Full names, Department, College/University's Name, City, and State. In case of multiple authors, only the first author shall be sponsored, if applicable). |
| 8 | References | Max 10 references |
